World Teacher’s Day observed

ISLAMABAD, Oct 5 (APP): World Teachers’ Day was observed across the country on Friday in a bid to honor the teaching profession and support teachers in their efforts empowering people to build a better world. Teacher’s Day is a tribute to the hard work and devotion of the teachers all year long, to educate a child. The theme for the year’s World Teachers’ Day was: “Take a stand for teachers”. Over 100 countries observe the Day which was founded by (UNESCO), the United Nations Educational, Scientific and Cultural Organization in 1994. The day aims to educate the public about the conditions of being a teacher around the world, focusing specifically on the protection of teachers’ rights, and the proper training, development and status raising of teachers. Different public and private organizations and educational institutions have organized seminars, conferences, walks and functions to celebrate the day in befitting manner, highlighting the tireless contributions of the teachers.
