ToT Training of SHP Workshop in Nawabshah Sindh

A two days training workshop under School Health Program held in Nawabshah on 5-6 December 2012. The activity was organized by Provincial Institute of Teachers Education (PITE), Govt of Sindh at Nawabshah with collaboration of UNESCO Islamabad.

Teachers and Head Teachers of various public schools actively participated in the workshop. The objectives of the workshop were to address various needs of students’ health in schools. The participants were sensitized to ensure the continuity of physical, mental and emotional wellbeing of the students by providing opportunities to groom their natural capabilities. It was also emphasized that healthy activities among students could also be enhanced by instructing the students regarding new trends and challenges of health and hygiene such as population education, environmental education, gender awareness, protecting rights of minorities and persons with disabilities and needs of refugees etc.

Teachers, along with students in future, were expected to end up gender discrimination and to guard Human Rights, particularly of students belonging to minorities, along with applying appropriate arrangements for students with disabilities and other special needs.
